THE VENICE LOUNGE CHAIR

Inspired by the refined, luxurious designs of the 1930's, Barbara Barry has created the Venice Lounge Chair. The sensual, architectural line of the arm continues around the back of the chair creating a beautiful aesthetic when viewing the piece from any angle.

5044-30 Venice Lounge Chair finished in HBF Imperial on maple wood and upholstered in Analina leather from HBF Textiles. The aesthetic of Venice is enhanced by the graceful arm wrapping around the back of the chair. Designed to withstand the rigors of high-use environments, Venice features an optional moisture barrier.
