THE ARQUE TABLE SERIES

The Arque Table Series, designed by Kevin Stark, employs classic forms in an unexpectedly modern way. The curves of the table stress line and proportion, providing visual drama in a spare yet sensuous design. These graceful maple bases and tops are equally suited to commercial and high-use environments.

4350-11-L | Arque 18DIA x 22 1/2OH, standard with maple shelf, in HBF Espresso on maple. Shown with optional color-through laminate top overlay.
