

C COLLECTION FUNCTIONAL TABLES

HBF

Renowned designer Yves Béhar of fuseproject has created a bold collection of lounge, reception and private sitting area furnishings. The clean lines and contemporary styling of the C Collection integrate practical features such as functionality, ergonomic comfort and pull up work surfaces to create an efficient and elegant option for modern interiors. C Collection functional tables offer multiple options and integrate with C seating to create versatile configurations.

C COLLECTION FUNCTIONAL TABLES

Functional connector tables are available in square, round and wedge shaped tops. Maple veneer or solid surface material top surfaces combine with the three standard base colors to provide versatile options for specification.

- CUM4016T Square corner connector table, HBF Caramel on maple top with Mirror Silver powder coat base.
- CUM4028T C Collection 90° wedge shape connector table. When combined with various lounge seating, unique seating configurations can be created to meet a variety of aesthetic and user requirements.
- CUM4029T Wedge shaped 135° table, 16½"OH.

CUM4021T | C Collection connector table, 36" diameter and 16 1/2"OH, functions as a coffee table in this configuration with sofa and freestanding laptop table. Bisque powder coat metal base with HBF Caramel on maple top.

CUA4032T | C Collection adjustable height laptop table with swivel top can be positioned from 17 1/2 to 24 3/4"OH; providing the perfect functional solution for the requirements of today's expanding work scenarios.

CUA4030T | C Collection laptop table with fixed top; Alabaster White solid surface material top with Black powder coat metal base.
