THE BRENTWOOD SIDE CONFERENCE

Barbara Barry's designs for HBF quietly evoke the grace and glamour of the Thirties. The Brentwood Series is based on a refined sense of modern elegance, coupled with the highest quality construction, comfort and durability designed to withstand the rigors of environments requiring high performance products. The Brentwood side conference chair, available with optional moisture barrier, is a perfect complement for the Brentwood lounge pieces – lounge chair, loveseat and sofa.

The Brentwood chair shown on the reverse is finished in HBF 02 Espresso on Maple and upholstered in Wool Velvet from HBF Textiles.
