Camden, designed for HBF by Ken Reinhard, is a lightly scaled side conference series reflecting classic details and quality craftsmanship. The graceful flair of the chair back and chamfered edges of the arms and legs provide an added sense of simplistic beauty. Camden is available with two back options creating a versatile aesthetic suitable for a variety of uses in corporate, hospitality and healthcare applications.

THE CAMDEN SERIES

3176-10 | The Camden chair with open back finished in HBF 06 Amber on maple and upholstered in HBF Textiles 33/OH x22/OW x 25/OD

Designed to withstand the rigors of healthcare environments, Camden features a wipe-out area, optional moisture barrier and is adaptable for tandem applications.
