THE SERENE CHAIR

Chris Annas has created for HBF the Serene guest chair. The simple shapes of Serene, the arcs and bending of the wood, result in an inviting and comfortable chair that cradles the body. Serene is equally applicable to corporate and hospitality environments.

3267-10 | The Serene chair with a framed upholstered back, 31 1/2"OH x 23 1/2"OW x 23 1/2"OD, exemplifies beautifully crafted wood seating with clean upholstery details.

Designed to withstand the rigors of high-use environments, Serene features a wipe-out area, optional moisture barrier, and is a HBF Bariatric Approved Product.
