

Miter Series

Occasional Tables

Miter Table Series Specifications

Veneers Standard wood veneers are premium grade plain sliced cherry, maple and walnut. Also available is HBF Ligno-Grain, a reconstituted wood veneer that produces a textured surface that is not fully filled. Cherry, maple and Ligno-Grain are available in all HBF standard finishes depending on species in addition to custom finishes; Walnut is available in three standard finishes. Wood veneer tops are 1” thick.

Solid Surfaces Solid surface 1” thick tops are available in two standard HBF colors – Alabaster White and Ebony Skies. Other solid surface colors may be specified; contact HBF Customer Service for pricing and lead time information. Solid surface “Care Kits” are available. One will ship with each order, additional kits available for \$42 List per kit.

Laminates Plastic laminate tops are 1” thick. The edges of Miter laminate tables are formed with a 3mm PVC edge band to create an attractive and very durable edge.

The following are Pionite® laminates and complementing edge band materials that are HBF standard selections for Miter occasional tables:

Pionite laminates are GREENGUARD INDOOR AIR QUALITY CERTIFIED

<u>Laminate Options</u>		<u>Edge Band</u>
Eggshell White Suede	SW803	Sail White
Ingot Gray Suede	SG211	Graphite

Please indicate on the order laminate and edge band color selections.

Miter laminate tables can also be specified in any commercially available laminate. Pricing will be determined by the price of the specified laminate, lead time for the table will be based upon the availability of the laminate material. Contact HBF Customer Service for quote.

Bases Bases are metal with a Brushed/Satin Nickel finish. The metal leg is distinguished by an innovative miter fold that provides a smooth radius transitioning from the leg to the table top.

Shipping Miter top and four legs ship in separate packaging. Legs easily attach to top using the four screws provided.
