# HBF Seating Order Procedure

## Coverings

All upholstered items may be ordered using HBF Textiles, HBF Leathers, Edelman Leather, or coverings furnished by the customer. Prices listed as COM refer to Customer's Own Material. Prices listed as COL refer to Customer's Own Leather. Prices listed as GRADE refer to HBF Textiles, HBF Leathers and Edelman Leather

**Yardage requirements shown in the price list are based on non-directional 54" material.** The following conversion chart should be used to determine requirements when COM is 54" wide or less and has a repeat of 2" or more. Add together the vertical and horizontal repeat to determine which column should be used as a reference.

<b>Fabric Width</b>	<b>Plain Fabric</b>	<b>2"-14" Repeat</b>	<b>15"-24" Repeat</b>	<b>25"-27" Repeat</b>	<b>28"-36" Repeat</b>
54"	+ 0%	+10%	+15%	+20%	+25%
50"	10%	20%	25%	30%	35%
48"	15%	25%	30%	35%	40%
45"	40%	50%	55%	60%	65%
36"	50%	60%	65%	70%	75%

**To determine the possibility of reduced yardage requirements for orders of ten (10) or more units, please contact HBF Customer Service.**

When sending COL for use on one of our upholstered pieces, please send eighteen (18) square feet of leather for each yard of 54" plain fabric required for that item.

### COM/COL ORDERING REQUIREMENTS:

**Prior to acceptance of order specifying COM/COL, a memo sample must be submitted to HBF for determination of suitability.**

For ease of expediting your COM/COL order, we require the following information:

1. Fabric description
2. Fabric source
3. Order line, product name or number
4. Fabric color
5. A swatch of the covering
6. Special application instructions, if any

**Shipping Address:** HBF  
900 12th Street Drive NW  
Hickory, NC 28601-4763

If COM/COL is of a type requiring choices of seam placement, face side, position of design or repeat; these instructions must be clearly stated on the original order.

HBF reserves the right to reject any COM or COL. HBF assumes no responsibility for suitability or wearability of COM/COL. Difficult COM/COL may be subject to additional charge if additional labor costs are incurred.

Orders specifying COM/COL will not be scheduled for production until all COM/COL is received by HBF.

To ensure proper COM/COL expediting, please tag fabric/leather with the following information:

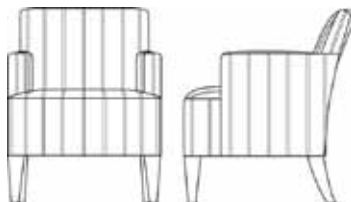

1. Purchasing dealer name and purchase order number
2. HBF acknowledgement number, if available
3. Other pertinent information which will enable proper COM/COL identification

# HBF Seating Order Procedure

---

## Standard Vertical Application

The standard application of fabrics with stripes, vines or floral patterns is vertical. When specifying upholstery fabrics with any of these designs, the application direction must be noted on all purchase orders and a sketch indicating the direction of application must accompany the purchase order.

---

## Combination of Fabrics and Leathers

All seating ordered with combinations of fabric and leather are subject to a **\$95 List upcharge** in addition to the following pricing conditions:

1. Combinations using HBF Textiles and COM will be priced at the COM price. HBF Textiles will be entered as a separate order and invoiced separately.
2. Combinations using HBF Textiles and HBF Leathers or Edelman Leather, or COM and HBF Leathers or Edelman Leather, will be priced at the appropriate Leather I-V or Edel 1-12 price.
3. Combinations using HBF Textiles and COL, two COL's, or COM and COL, will be priced at the COL price. HBF Textiles will be entered as a separate order and invoiced separately.
4. Combinations using two HBF Textiles will be invoiced at higher grade price.

---

## Contrast Welt

Contrast Welt is only available on products that are offered with welt as an integral part of the design. "Standard with Welt" is noted in the price list description of each individual applicable product. All welts are cut standard on the bias. Adding welt or contrast welt to other HBF seating products is not an option. The following List upcharges apply to applications of Contrast Welt only to HBF seating products standard with welt:

	COM/HBF Textiles	COL/HBF Leathers, Edelman Leather
Chair	\$100	\$285
Loveseat	\$145	\$360
Sofa	\$200	\$435

The above List upcharges do not include the cost of HBF Textiles, HBF Leathers or Edelman Leather. For contrast welt yardage/square footage and welt cording requirements by individual style, please contact HBF Customer Service.

---

## Arm Caps

HBF lounge seating products with fully upholstered arms are also available with optional arm caps.

Wood arm caps, same veneer as chair construction, may be specified. Finish will match finish selected for other exposed wood parts.

Solid surface arm caps are also available and are standard in HBF Alabaster White.

---

## Moisture Barrier

Backs and/or seats of all seating products are available with optional polyurethane film moisture barrier that is waterproof, mildew proof, and easily cleanable.

---

# HBF Seating Order Procedure

---

**Special Code Compliance****California Technical Bulletin 117**

Unless otherwise specified, foam used in all HBF seating products complies with these guidelines.

**California Technical Bulletin 133**

Following are the Net upcharges and minimum unit requirements for special foam to comply with these guidelines.

Side Conference Chairs	\$105 Net per unit (minimum of two units)
Swivel/Tilt Chairs	\$155 Net per unit (minimum of two units)
Lounge Chairs	\$215 Net per unit
Ottomans	\$105 Net per unit
Loveseats	\$280 Net per unit
Sofas	\$325 Net per unit

HBF can not be held liable if original purchase order does not indicate a requirement for California Technical Bulletin 133 compliance.

**Boston Fire Code****New York Port Authority**

Please contact HBF Customer Service if compliance is required for these special codes.

---

**Performance Testing**

HBF voluntarily tests a majority of its products to the rigid testing requirements as set forth in accordance with BIFMA and ANSI standards.

A number of HBF seating products have been tested for bariatric use. On average, a person exerts one and a half times their body weight in force as they sit down into a chair, known as "shock load" (a person weighing 200 pounds exerts a force of 300 pounds). HBF bariatric products have met a 500 pound shock load test. Bariatric testing approval is noted within the price list for each applicable seating product.

Information on testing procedures is available upon request.

---

**Veneer and Finishes**

The following slip matched, plain sliced veneers are available with the finish options as shown below.

Wood owes its inherent beauty to variations in color, grain, and texture; therefore, these variations are not considered defects. Due to the natural color and grain variances of wood substance the final finish color, texture and grain may vary from one furniture piece to another even though they are finished at the same time. Exposure to light and the aging process will cause changes in surface color of natural wood products. Light finishes on wood products do not mask the natural characteristics of wood. HBF does not guarantee the exact matching of grain, pattern and color.

Please refer to product description for specific veneers offered on individual products.

---

**GREENGUARD®**

All HBF side conference, swivel tilt and lounge seating products are GREENGUARD Indoor Air Quality Certified®. HBF bench seating has been GREENGUARD Indoor Air Quality Certified® when utilizing approved core and finishing materials. Please contact HBF Customer Relations for pricing and lead time information.

All seating products have a 30° sheen except where noted.

An upcharge of **5% Net** COM per seating unit, with a minimum upcharge of **\$500 Net** per order, will apply for any custom wood finish.

## HBF ecoScorecard

The HBF ecoScorecard is an online tool available for consumers to identify environmentally sensitive products. The calculator is also a highly useful vehicle to calculate the contribution of HBF products towards the attainment of LEED credits.

The HBF ecoScorecard offers the following benefits:

- Automated assistance with LEED documentation
- Customized review and comparison of multiple products
- Ability to print, download and/or email LEED Specification Sheets and analysis information for all products that contribute to the rating system
- Reduced time and cost associated with LEED research and documentation
- Accurate and straightforward information on product attributes and LEED contribution
- Assists specifiers in demonstrating how HBF products apply to real-world, high performance green building needs

For more information regarding HBF's ecoScorecard, please visit <http://hbf.ecoscorecard.com>.
